The radiant form of the son of the wind eliminates all cause of afflictions.

With the pollen of the Guru's lotus feet, I cleanse the mirror of my heart,
and sing the pure virtues of Lord Raghuvir, the bestower of life's four
fruits. Knowing this body to be lacking in wisdom, I meditate on the
Wind God's son. Give me strength, wisdom, and intelligence, remove
my faults and afflictions. Hail the refuge of the feet of Sita and Ram
